“ I'll never forget my Uncle Gene! He was always so kind. A true gentleman! I remember weekends as a kid - visiting the farm, playing in the barns, and sitting on the huge tractors. I always loved the way Gene and Carolyn were always so hospitable and caring. Visiting the these two and the four boys was always an adventure for me as a young boy. When I hear stories about him and Mom as kids growing up, I know that he was a great gig brother to her as well!

My deepest condolences to Carolyn and the kids, grandkids, and great-grandkids. What an awesome family and legacy he left!

May God bless all of you richly and comfort and give you peace until we all meet together again with Gene, Grampa Albert, my dad Gale, my brother Tony, Uncle Leon, and so many others who have gone on before us.

“ I am saddened to hear of Gene's passing. Please accept my condolences. I have such fond memories of growing up with Alan, Glen, Robbie, and Greg, going to church at White Oak, hunting together, playing softball, talking about girls, eating, talking about girls, hanging out, and talking about girls! That's what teenagers did back then. Gene and Carolyn were steady and faithful. Good people. The kind that aren't as easy to find anymore. I have always loved your family. Still do. I am praying for each of you to know the peace that passes understanding during this time of loss. God bless.

“ So sorry for your loss. Our family loved him dearly. Momma (Betty Gray) loved him like a brother! I have such wonderful memories of visiting with Albert Gene and Carolyn and being part of a church family with you all. I know he is in heaven and no longer in pain. Sending prayers of comfort and hugs to you all. I am sorry I cannot be there with you tomorrow.
