“ What interesting twists and turns life can offer! I will never forget moving from St. Louis, MO, to Clover Bend in the summer of 1970, after my parents separated. It was quite a shock going from a neighborhood filled with kids to farmland, but the Graddy's were on the farm next door! Steve had four sisters and I had three, and the ages matched up, miraculously. I spent a lot of time at the Graddy's, though we moved a few miles down the road soon after. Steve, do you remember the hours we spent throwing a baseball against that pitch-back, inventing our own games? It's been so many years since that time, and I haven't seen Steve since my mother's funeral. Steve, I wish I could have been there for you at your father's funeral.

Life has taken us in such different directions, and many other friends have come into and out of our lives. But there are no friends like the ones from that time. Steve, Jean, Mary and Linda, you are in my thoughts and prayers. Cathy, I still miss you! In my heart, I am still with you all, enjoying your Mom's wonderful cooking and surrounded by your smiles and hearts. In reality, I am many miles away, but those miles cannot begin to stop my love for all of you, or my hope that if we don't get to spend time with one another on this earth, that we will once again be next door neighbors in heaven! I am so sorry for your loss and rejoice in your father's legacy. That legacy is you, some of the sweetest people on this earth.

May the LORD wrap His loving arms around you! I love you all so much!

“ Warren Graddy was a good friend . I am the lady who had the Casino bus from Jonesboro and Mr. Graddy always seem to have such a good time with the other people on the bus. My brother and I always tried to look out for him on these trips as we did for all the older passengers. We will always remember his birthday because we always had to help him download his money from the Casino to his card so he could play the machine. May he rest in peace and we want to express our sincere condolences to Mrs. Graddy and the rest of his family.

“ Warren was an Uncle and I always remember the family times we were able to spend together. Enjoying fire works and great food on family vacations in the 1950's and 60's. Watching the family grow with marriages and children at reunion visits as the years went by. There is quite a legacy left when I read of all the grand and great grand children that are of this union. Wonderful generous loving children with warm smiles that are a gift from Warren. Our love and prayers go out to each of you. I am so sorry that we can't be there in person. You all have so many wonderful memories to treasure. I am glad that you are also surrounded by family and friends that will be there to lift you up. Sending you are love and remembering the family gatherings around your dinner table with large bowls of food fresh from the farm and all of the laughter that go with sharing lives well lived. You are in our prayers. Mary Ellen and Margaret Ann Thielemeir.
