“ I worked with Ada for about 20 years and at one time lived close by when she lived at Scott's drive. She attended my husband and my wedding, sang Rocky Top and did the turtle dance. She was the first one to come and see me when my mother died. Although she moved away , I still thought of her from time to time. My husband Ed and I send our condolences to the family. Love, Rose and Ed Zych from Holland, Michigan
