“ *It has been my pleasure to have been a part of this wonderful family for 26 wonderful years. Mama I know exactly where you are and how happy you are. You are with everyone that has gone before you and have helped to oversee your home and to help make sure it was the way you would want it. As well as you knew JESUS, he also knew you and I am positive he made sure they knew what they were doing! Mama , I am going to miss you and all of our conversations, don't worry I'll still be talking to you from time to time! When you see William tell him not to be adjusting the TV anymore! Mama, I love you and am ever so happy that you are with our LORD and SAVIOUR and know it was time you had to be called home! You touched so many lives while you were here and hopefully we can live up to your expectations! Love you mama, Go in Peace with LOVE, PEGGY*

“Tomorrow”

*If tomorrow starts without me, and I'm not there to see,
If the sun should rise and find your eyes all filled with tears for me;*

*I wish so much you wouldn't cry, the way you did today.
While thinking of the many things we didn't get to say.*

*I know how much you love me, as much as I love you,
And each time that you think of me, I know you'll miss me too.*

*But if tomorrow starts without me, please try to understand,
That an angel came and called my name, and took me by the hand.*

*And said my place was ready in heaven far above,
And that I'd have to leave behind, all those I dearly love.*

*But as I turned to walk away, a tear fell from my eye,
For all my life, I'd always thought, I didn't want to die.*

*I have so much to live for, So much left yet to do,
It seems impossible, that I was leaving you.*

*I thought of all the yesterdays, the good ones and the bad,
I thought of all the love we shared, and all the fun we had.*

*If I could relive yesterday, just even for a while,
I'd say good-bye and kiss you, and maybe see you smile.*

*But then I fully realized, that this could never be,
For emptiness and memories, would take the place of me.*

*And when I thought of worldly things, I might miss come tomorrow,
I thought of you, and when I did, my heart was filled with sorrow.*

But when I walked through heavens gates, I felt so much at home,

When God looked down and smiled at me, from His Great Gold Throne.

*He said, "This is eternity, and all I've promised you!"
Today your life on earth is past, but here life starts anew.*

*You have been so faithful, so trusting and so true.
Though there were times, you did some things, you knew you shouldn't do.*

*But you have been forgiven and now at last you're free.
So won't you come and take my hand, and share my life with me?*

*So if tomorrow starts without me, don't think we're far apart,
For every time you think of me, I'm right there, in your heart.*

“ I have too many memories to share...from the time she would get on to me for walking to her house next door barefoot when I was little to sitting on her back porch in the swing and talking with her as an adult...precious memories.
