“ Joking, laughing, riding, hunting, working hard, loving his family and friends...attributes of this man who I have had the privilege of being friends with since he and Chops were in high school. Everyone that knows you, Allan, has lost an irreplaceable friend. You will have to special order those Lacey steaks now but know this, as I know you do, Lacey and Jowanna would special deliver one to you if only to hug your neck...one more time ❤️. “ Allan was a " bigger than life " person. He lived life large and full and he loved his family and friends the same way. His world was full ahead full steam . His family and friends knew his affection was deep and real. We are so glad he was in our life. The future will be duller without him. Via con Dios Allan.
