“ *Favorite memory....circa 1980-something, McCabe House, Johnson family reunion...Aunt Ann playing pool with us kids in the basement and going all in to sink a ball by getting up on top of the pool table...had we had video at the time, it would have rivaled some of the best AFVs...we all laughed so hard that it stuck with me 30+ yrs later.*

*As a kid, I always looked forward to my weeks in the summer at Aunt Ann's house and am grateful and blessed to have those memories.*

*You will be missed.*

*Love,

“ Mrs. Ann was a wonderful friend and we had so much fun when she worked at the Pace Place. I worked next door and took her fudge at Xmas time. One year she come to me and said if I buy the ingredients will u make me a whole batch of fudge I did and after that I fixed her a tin every year at Xmas. She was so kind and always loved everyone. Mrs. Ann will be missed by many I for one. Prayers for your family at a time like this. I loved your daddy also. He was one of a kind.

“ As a teenager, I worked at Piggly Wiggly in Walnut Ridge with Mrs. Ann and she was the kindest, most patient person putting up with a bunch of young guys who would probably test Job. I will always remember her with fondness. Please accept my sincerest sympathy for your loss.
