“ Will give one more try in sending a tribute to Aunt Jane's memory! Barbara and I always loved going to Corning for a visit in the summer...prob not lots of fun for John n Jim or Larry...but a special time for us. She took us swimming, trying with no success to teach us to swim in James Creek.....(she was happy to hear I learned years later at the Y!) There were "make-up sessions"....coaching us on the applications etc, (didn't master that art either then)....I remember 1 day out on a country gravel road while delivering Avon to her client, she put me behind the wheel until we nearly ended up in the ditch....I worried U Bud would be upset, but don't think anyone squealed! I could tell A Jane anything about my hopes n dreams with no worries of them being repeated...and usually on matters of education n such, only encouragement. She introduced me to several girls during those times, and one particularly has been a dear friend these many years! I appreciate the guys n U Bud sharing those treasured times with me, and think I remember most, she was a Christian, and really "walked the walk!" Thank you Aunt Jane! Love you, and I look forward to seeing you again, with our other family n friends one day in Heaven. Patti Davis Register
