“ Prayers for Uncle Archie’s family and friends. As a small child I remember him coming to visit us and grandma (his mom) every year with his brother, Uncle Gene. Before they left to go back home, they would give us \$1 & 50 cents piece coins. He was always so nice to us and we enjoyed seeing him. He will be missed dearly. ~ Gina Vanderslice (his niece)

“ There is so much to say about Mr. Archie for just the brief time that I had to visit with him. His daughter Susan wanted my Therapy Dog Marly to go and visit with him when I went to Lawrence Hall. He had an awesome sense of humor because he just wanted to keep her and hide her. This made my day and there was a little smile sometimes. It was such an honor to see that sense of humor
