“ Momma I think we will take a drive this weekend to see the changing color of the leaves. Kenny mentioned this week that he remembered how you loved the colors of the trees. I think its coming soon that I will get to see you and Daddy again. Until then Momma.

“ *I only saw Betty Jo a few times. She would come to Rorex Supermarket to buy groceries. I do recall her being very friendly, kind, and smiling. I wish I would of had the chance to know her better.*

I am praying for the family. May God be with you and comfort you!
