“ *The love Aunt Beulah had for family and mankind is beyond words... Her strength and faithfulness she displayed thru her life should inspire generations... She is the Matriarch of the McLeod family.. We are so blessed to be in that circle.... I am quite sure she took with her more knowledge than we know.... I am so glad she had the strong desire to share her thoughts in her writings.*

“ There's no place to start with my memories of my aunt Beulah Lee. She was at my mother's baby shower when my mother was expecting me and aunt Beulah Lee was expecting herself, later my cousin Janet was born 3 days from my own birth. I spent many a night at Aunt Beulah Lee's and she treated me as one of her own. She was so special in so many ways and she will remain in my memories until the time I go to see her in heaven. She was the last of my aunts on either my dad's or mother's side. I have the yearly birthday card she sent me August 23 with a sweet hand written message and I will cherish that last written message of love from my dear aunt Beulah Lee.
