“ Back years ago our family got this dog. She had been given away 3 times before we got her. So, we called her Giveaway. Giveaway loved getting Billy’s jeans off of him. She would grab his jeans and hold on until she had them down. Billy would be laughing so hard he couldn’t stop her. Them two would have all of us laughing so much. One of my fondest memories of Billy Ed. Go rest high on the mountain. Will always love you and miss you.
