“ Known Gail since 1st grade. So many memories and Gail and I'd visit a lot as parents, coworkers and Jamie & My sons attended preschool together. My sons babysitter was Gail's mom. Gail could always find the joy in what ever was happening. She loved soap operas especially One Life To Live. Well that's where her son got his name Acae ,the big millionaire Acea Bucanen. Gail was always rearranging her Home back then. She and I feather painted a room, yes feather painted. She love life and family unmeasurable . I'm so glad she chose to dance in the rain and drug me along her path. Enjoy Heaven Gail , love you lots & miss you.
