“ First I want to say how very much he was loved....He was my only Brother and I loved him dearly....Sorry to say I had not seen him for a long time, I live in Indiana and it was hard to make the trip some times but I remember the good times we have shared through the years, I can recall the times he would come home to Mom and Dads from being out of state working, I was a teen ager than and he always had a nice Car, and yes he would always take me out and let me drive around so all my friends could see me driving this beautiful car with my handsome brother....All my girl friends had a crush on him and one of them married him...Oh how I wish I could bring back those days, sweet memories!!!.... You will always be missed my sweet Brother!!!
