“ I met Bob 5 years ago when I started work at John Minor Crop Insurance. He was a sweet man who always had a smile. I loved to joke with him and we always shared a laugh before he would leave the office. He was such a smart, hard worker.  
Bob is certainly going to be missed. Loved him very much. RIP my Friend.  
This is not "Goodbye"...I will see you later!

“ Bob and I were working a claim once and he drove out in wheat field and when we got out to look at the crop closer, he left the vehicle running and we almost set a fire. Thought we were going to have to buy the crop for awhile. We have had many a good laugh at things we got into to at times. We also had our disagreements but always parted friends. He definitely made life interesting and had a great sense of humor. Rest in peace Bob. We will meet again. Great memories.
