“ Candice worked with me at Belk. Every time I seen Candice she had a smile on her face. She was our credit queen as we called her. With out the credits she got on some days we would not make our goal. I went and seen her on Wednesday April 19th and I spoke to her and she asked if I was a RN. I am so glad that I had the honor to work and get to know Candice. Love girl R.I.P Candice. going to miss that smile.
