“ I remember Wayne coming to my Dad's Service Station, "The Buckaroo". Wane was a very well mannered Spirit and my Dad Bill and mom Aline Baker sure thought a lot of him, Teddy. I remember one Winter, Wayne Teddy and I tried anyway to sled down in front of where I lived on the Pete Wasson Road. He even helped my Dad install speakers in my Road Runner. He was pleasant and I considered him a very good friend. Bill and Hazel, I am so sorry for the void that has been left in your hearts, but time heals all and all the family will remain in my heart and my prayers.
