“ *Where to start I was 16 years old when you were born and we were so close. There's so many memories of you and I. Whether we were hanging out with Mom and Dad, your grandparents, or just by ourselves, we always had fun and we loved one another and had a mutual respect for one another. You may be gone but I have 50 years of memories to remember and cherish. Till we meet again I love and miss you so much RIP love Aunt Sherry*
