“ *Carolyn and I shared many good times at the Dietary Department at LMH/LHNNH during the years of 1963 to 1973. She was a dear friend!*

She surely loved her family and talked of them often. May God bless and guide all those who miss her now. Love, Blewe

“ *I remember being at Aunt Carolyn's on Saturday morning and eating "store bought" bacon. All we had at our house was stuff fresh from the hogs.*

We also went to her house to go Trick or Treating. The whole gang met there and hit the town for candy.

Love you Aunt Carolyn and kids. Thank you for the memories .

“ Loretta, I am so deeply saddened to hear of the passing of your sweet mother. She was a character and I always loved seeing her. She and Buford had so much fun at those senior citizen luncheons. But now she's in Heaven and I know her, Novene and Buford are all up there having a big time. Our losses are Heaven's gain. May God richly bless you and your family during this difficult time.
