“ I remember Bro. Charles from many years ago. There was no stronger, more dedicated to the Word of God, preacher anywhere. He stood for his beliefs, but when he saw something was working that he had not done, he went for it "headstrong". An example of that was his and Hester's dedication to the Budd Creek Youth Camp. God bless his memory and our prayer is to raise up more like him. John & Becky Way

Brother Helms was a great encouragement to me in my early ministry. I know that his influence will live on in the lives of hundreds of believers who paths were crossed by Brother Helms.
