“ Lorra, David, Donnie, and families,  
My condolences on Chris's passing. Chris was part of most of my memories from my childhood and teenage years. We'd spend time in each other's homes and ride bikes and play boardgames and attend church skating parties as young teens. May the Lord grant peace and comfort to you all in the days ahead.

“ My fondest memories of Chris was working with him at Pratt's. He let his beloved dog, Bobo bring me dead varmints as he would call them “gifts” from Bobo. At one of the haunted houses one year, when Morgan was young, he tried to scare her . She just looked at him and said “hi, Chris!” Most favorite memory for me, was his nickname for me, “Joan”. Lorra, you are in our thoughts in prayers.
