“ *I cant explain how dear this man was to me. It made my days when I got to go and visit with him and his wife they reminded me of my parents that has passed on and I told them that often. I loved just sitting and talking to him he always had good advice on things like building things. He always had some fresh veg. for me and even gave me some bbq ribs once. My heart is breaking for his family I love them truly. Tonna hayes cna*
