“ *I grew up with Danny and David, Robbie, Betty, Donna. I was so very sorry to hear of Danny's passing. It is with such tenderness and love that I look back at our childhood so many years ago. I have no doubt that Danny, David and Robbie are having a fabulous time. These folks are just starting as family to me and I mourn with Betty and Donna not because the boys aren't in a better place without a care but for how greatly they shall be missed.*

“ *When I first moved back to Strawberry, Danny Ray was one of my first friends and we stayed friends forever. He became just as close of a friend with my daughter, Tammy Huskey and my grandson Dyllon Freeman. We are absolutely devastated by his death. We can NOT express the hurt in our hearts. Please know we will miss him forever. God be with you all*
