

David Waterson

November 28, 1959 - September 16, 2018

On Sunday, September 16, 2018 our brother in Christ, David Henson Waterson, left this earth bound to go home and spend an eternity with his God, with his Savior Jesus Christ.

David was the son of Elmer Waterson and Louise Lawhon Waterson. David is survived by his wife, Libby Waterson of 32 years; a brother, Audie Waterson (Jane) and sister Rachel Waterson. David and Libby have two children Adrienne Waterson and Travis Waterson.

David was born in Rockford, IL but his parents made the decision to move to Arkansas when David was still a small child. Elmer and Louise settled in Annieville AR living on a 120 acre cattle farm. This is had been a dream for Elmer. David took to the farm life very well he liked be around the cattle and being able to have horses that he and Libby rode together.

David made a lifetime career of Emergency Services. He first worked as a firefighter and obtained the rank of Lieutenant. Then his focus became more narrow as he found a passion for Emergency Medical Services. David became a paramedic and was quickly running two ambulance services and serving as security and safety director at a hospital in Kennett MO.

He eventually was offered an opportunity to work for the State of Missouri in the Bureau of Emergency Medical Services. It is from the State of Missouri that David eventually retired.

“ *Libby and family,*

Just heard about David. I'm so very sorry for your loss. I always enjoyed being around him. I remember the first time I ever met him. We were working a minor accident with several not-too-serious injuries. Always the professional, he selflessly offered his assistance with backboarding patients and transporting to the hospital. Many times over the years he would call me and offer to help during times where our EMS system was strained. I, and our EMS community, will miss him.

With sincere condolences,

“ *Libby and kids, I am so very sorry for your loss. Your dad was such a great guy and loved you all so very much. The last time I spoke to him, he was telling me how proud he was of you and what great young adults you have become. May God wrap his loving arms around each of you. Prayers*

“ So glad we got to spend Labor Day with you. Although, we knew your time on earth was short, we didn't know it would be so soon. It hurts to see you go, but we know we'll see you again.
