So sorry for your loss, from Patsy (Floyd) Marshall and Lesia Brown. , cousins of Barbara Jean

lesia Brown - March 17, 2020 at 01:54 PM

I'm so sorry for your loss. Don was a great man to know and work around. He was one of the hardest working men I've ever known and definitely one of the funniest. I only learned of Don's passing last night and deeply regret not being able to make it to his services to pay my respects, but also to listen to the countless stories of Don's pranks and shenanigans! There was never a dull moment with Don around. You were undoubtedly going to work hard to try to keep up with him, but you knew it was going to be entertaining while you did it. Rest in peace, Don!

“ Don and I have been friends for most of our lives. Had not seen each in years until about three months ago at the barber shop talked awhile and decided we would get together and discuss old times. I live in Bono no reason we should not have seen each other once in while .He was a good person and a good friend.
