“ I will forever remember my Aunt Dorthy singing about the chocolate ice cream cone to the kids and I always remember being young walking through the fields with her. I thought she was beautiful with sun kissed skin. Even though I was young, I saw her as being a strong and confident woman and so much fun to be with. Too many sisters gone too soon. Each one was special.

“ My Aunt Dot had the biggest heart. She loved everyone and I am proud to be one of her many "favorite" nieces. I will always have her in my heart and miss her oh so much.
