“ To Darlene and all your children, Billy, Jimmy and all Doyle's grandchildren, I want to say I am sorry for your great loss. I don't get out much anymore and I just recently heard this sad news. Y'all may know me better by Linda Blazer, " Jimmy Blazer " is my son who we sadly lost in 2012. Jimmy you and my Jimmy were great friends and really put them motors together out behind our house. I enjoyed shuffling cold sodas out to you gang of boys out there n even fixing you and Jimmy tacos bout 2 am as y'all worked right thru the night at times. :). As you know Darlene you , Doyle n your parents lived directly behind us in Hoxie for many yrs. We just loved your parents and both of you too n y'all were the best neighbors. As the Brewer family grew Each one of y'all were loved too. All of you are in my prayers, God Bless each and everyone of you always... RIP Doyle...

“ Doyle was a a good man! We went to school together, he was a few years older than me but he would always stop by to see me when his work brought him to Newport,AR. All the years I knew him I never heard a bad word said about him. I didn't know that he had become ill or that he had passed away or I would have tried to come to the funeral ! So sorry for the families loss, just want you all to know that you are in my prayers'
