“ Eason was truly loved by everyone, he put other's first before others. He was the best person I've ever known. He was the type of brother who would protect his siblings. Our mom was so proud of the person he had become, everyone was. our will forever be in our hearts. I love you so much. You were like the sun, when someone was sad you always brighten there day.

“ Eason was more than just a friend, he was like my brother, he was the first person I would go to if I needed to talk or ANYTHING at all. He would help me get through it all or try to help as much as he could. He always put his friends and family first. I can't stop thinking of all the night we would dance, sing, eat a lot, hide and seek in the dark, and having you as my twerk buddy. We would always mess with him about he should become a male stripper because of how good he could dance 🤔. I will love you forever and ever I miss you so much.

“ The first thing I noticed was that you were not parked in my spot, as usual, Saturday morning. I didn't really think much about it until I got inside and then....I found out why. I am going to miss are morning "ribs" to each other. You were a wonderful person that I feel very blessed to have known. I just wish I would of gotten more time to know you more. We were just getting to know each other. But I am glad for the time we had. Your heart was huge and felt by all. Love you always. God bless you and take care of you for eternity.

“ So young  
Saying your name  
On the tip of my tongue  
Will never be the same

Forever still  
In the hearts of us all  
Seeing you till  
We get our call

Never the same  
Singing your song  
From wence you came  
Now belong

Heaven you are  
Missing us too  
You may be far  
But never blue

May you rest in peace  
We love you Eason.

Fly high our angel in the sky.
