“ I know I haven't seen you in a long time buddy, but you were one of my best friends as kids. I'll never forget the time we had at the Peabody when your mom and Ronald got married. Just looking over your pictures, it looks like you had a great life. I wish we could have hung out again. I'll miss you.

“ I remember being in Eason's room when I was very little. He was outside with his grandpa on the tractor and my mom had brought me to June's for a visit. I was absolutely amazed at all the shelves he had in his bedroom and fell in love with his tractor with wheels. I wanted one too!

“ Ann,

I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.

Words can not express how sorry I am for your loss. You are on my mind and in my prayers.
