“ *Bubby and Peggy - My condolences to you and your families. You know she is in better place and meeting up with her sisters/brothers, what more could you ask for. I also liked going to Liz's home, great cook and I remember her fixing me green-fried tomatoes for the first time. Just loved it. She will be sorely missed by all. xoxo*

“ So many wonderful times spent with her and Uncle Bubby. She always made you feel welcome and always had a great meal fixed with several desserts. I loved staying at their home on our visits south and our late night chats and always waking up with the wonderful aroma of breakfast being prepared. Her freezer was always full and her home always ready for company. She will be missed..

“ It is always a shock to read the passing of a friend that has been part of one's growing up. Bubby, Liz and Peggy were neighbors on Compress Road and was so good to my parents. I will always remember Peggy working at the Polar Freeze during our high school days.  
My thoughts and prayers are with you. She will be remember.

“ *Mz. Liz ALWAYS had a smile for me.....just meeting her in the hallway at church brightened my day. She was a very special and sweet lady. I know that one day she and I will worship our Lord, together, once again. Until that time, I pray for strength and comfort in the days ahead for the Holder family.*
