“ *Sad to discover so late of Ethel's passing. She and I worked together when I first started out as a C.N.A. at the V.A Hospital in Lake City, Fl. I will always remember her kindness and our friendship. She even met my parents and prepared delicious food for us. I know such a loving soul is now with God for eternity.*

“ *I was lucky to be Ethel's neighbor for years. When we first moved here we knew no one but Ethel welcomed us to the neighborhood. And over the years we became very close friends. She loved animals and would always feed strays. I'm heartbroken on her passing and will always have a special place in my heart for her.*
