“ *I'm so incredibly grateful that I knew my great grandmother, Fannie Graham. I get to see her and her spirit in my two daughters. Great grandma was funny, tenacious, beautiful, and kind. I love her so much and I am so grateful to have had her in my life.*

“ I don't even know where to start on all the ways my great grandma came to have a profound impact on my life as well as witnessing how she had an equally impact on people she came to know in short but magnimus precence she had in the span that is my life that is the mere sum 36 yrs. I've been blessed to have fannie shaw graham as my family's matriarch and privilege of calling my great grandma. I can't tell you how many times in my years I've thanked the lord for her and I will continue to do so on every thought I have of this beautiful woman! Truly incredible woman! Great grandma, i know the lord was waiting with his arms wide open to you as you enter that place of everlasting life and i feel heaven truly has gained such an gem of person. May you rest now free of all the pain and may we all rejoice because I'm sure you said abroad as much as you said that "your get and go has gotten up and gone some time ago," the lord heard you great grandma and he ushered you on in to be home. I love you so so so much!!!! I will see you again!

“ To the family of Fanny Shaw Graham. To each one of you we are so sorry of your loss. ❤️ The first time I ever meant her she was what 97 or 98 this wonderful Lady could walk an get around so good She didn't need any help , no walker no cane nothing . I said ms. Fanny got around better than we did . She was amazing young woman , an as sweet as gold. And that same day her an her son John was leaving on a road trip (a long ways from here Colorado I think) it's really amazing how well she got around. The family was very fortunate to have this wonderful lady around for 102 years .an this lady still put a garden out at the age of 94 . She was doing something right she was a Christian. An had all those beautiful healthy years an memories. She loved all her family . ❤️ You all, pat an c.m.prather family

Sister Graham certainly was a gem and such a inspiration to the women (and men) at Gethsemane. She was in church anytime the doors were open and she could get there...even though as the years grew (just the last few) she needed a little more help, it didn't stop her from worshipping our Lord and Savior. If Sister Graham could make it.....it certainly is more difficult for us younger folk to justify not being there! I know she is rejoicing, while we are all heavy hearted. Prayers to all of the family who is so blessed to have called this sweet soul mom, grandma, sister, aunt.. Until we meet again....❤️
