“ *Very sorry to hear about Francine's death. She and Tommy were great friends and went on trips with them on the river. Francine took a lot of care of Mary ..Cathrine, her sister in law and my aunt. We have talked by phone often for years. She was a very pleasant and loving person. I send my love and may God bless her. My prayers are with her.*

“ *I knew Francine & Tommy for more than 10 yrs.Having spent a week at a time in the 90's , with Tommy on Miss and Arkansas River trips, I knew how much he and Francine loved each other. She took care of him at home until his death. They were made for each other. I was so honored to know her better after Tommy died,9 yrs ago. She was kind and thoughtful of others. She was devoted to her little dogs, which were family. My world is more sad and empty without her. Betty and I will forever miss you, Francine. ---Betty & Jerry.*
