“ *I remember double-dating in High School....it was Walnut Ridge Homecoming....both of our dates were from Hoxie....it was one of those..."you had to be there" moments, as Gary and my date took off their green football jackets to escort us into the gym....they were making exit plans if they weren't accepted....of course, they were, we had a great time....Gary was always so funny....especially if it concerned his car....there is no friend like an old friend....Rest in Peace my friend....*
