“ *Please accept my sympathy at Burt's passing. Although I have not seen him in years, I carry some fond memories from my childhood and high school days when Bob and I, along with others, were testing life's waters. I know he will be missed.*

“ To Jon and Family:

*May your memories of Bert be cherished forever. What a great man to have been around during my formative years. I share deeply in your loss today but you may take comfort (as I have for my Father) in knowing that you now have a guardian angel to watch over you. God bless you and keep you and may His peace that passes all understanding be with your family.*
