“ Grace..... Her name said it all. She was so full of God's grace and love, it drew people to her. She was always so kind and loving towards me. She was the type of person that I like to be around because she made you feel special and loved. Now she is rejoicing in Heaven as she celebrates being in the presence of our Lord and Savior, Jesus Christ.

“ Grace was one of the kindest. caring angels walking this earth. A soul that most would and will aspire to be. I am not just speaking for myself, for my entire family when we hear her name "sweetest" is the most common word to describe this wonderful lady. We love you, Lisa, and we are so sorry for you and your family's loss. My heart and prayers are with you all.

Grace was our prayer warrior. She always had a moment to listen and share life's happenings. I know that she was God's child - she always had a glow about her. Such a wonderful person will forever be remembered by those she touched.
