“ I love u, soooo much. I called u and made amends and love u to the moon and back. I told u I loved u and u laughed and said yeah and that u loved me. I didn't see this because I'm locked outta my Facebook and idk :( you were, are, and always will be the best father anyone could have. I'll never forget u and your wise remarks lol. Mom always said "you guys don't get along because you're just alike". Stubborn and quick tempered lol. God, I have so much regret, for all the time missed! Over shit, that could've been fixed. But, we were both hard headed and I was just hell on wheels and disrespectful. I told u when I called u the I was sorry for being an a\$\$hole. And he said oh you're alright. I told him I was a maillady and he laughed and I said can u believe it and he said no! We both laughed over that. I'm thankful we had that talk. And, I'm thankful u raised me to be a no-nonse takin woman. I'll never forget u and I'm thankful to be raised by you as my father. Give em hell, and I know I'll see u again. I love u dad. I'm sorry I wasn't there, and I feel lost. Incomplete! I love u, Tammy, Donna, and Kevin. We may not see each other much but we've had one hell of a ride lol. Having u guys as sisters was fun when I was older, and unpredictable when I was young 🤔🤔 w/your pictures (hotel lady) and how u guys used to pretend you were eating ants so I would lol. It was great, and I cherish everything. I love u guys and and have the best memories. Especially Kevin's beer pyramid lmao. Good times and lots of love, Harmon Dodson 🙏💙👍 he always said, when it's my time to go, it's my time to go. No fear, he never feared a thing. And he raised 3 strong women and son. I can't believe u and mom are gone. How?

I don't understand why? You never think when you're young and dumb that, you're gonna lose them and then bam you do 🖤🤔
