“ *Karen & Debbie*

I'm so sorry to hear of your Dad's passing. Also sorry We didn' know about your Mom passing away . We moved from Rector to Paragould a couple of years ago and didn't keep our home phone.

Just

using our cell phones. I tried to contact Harold to let him know our cell numbers, but the phone numbers that I had for your Mom and Dad was no longer in service. So we lost contact with each other.

Didn't know if they were in Florida or in Memphis. Last time I talked to him they were in Florida

and he was telling me about his boat. He wanted me to come down there and go fishing with him. Sure wish that I could have made it.

Your Dad and I met in 1971 when we

worked at Monroe auto in Paragould and became good friends. We

sure had some good times fishing over the years. Your Mom and

Dad was always a pleasure to be around, and there was never a

dull moment around Harold. I Know you will miss them, But always

remember, One day you will see them again. Our prayers are with

you

“ We met Harold and Patsy Ables in Florida in 2009 and are so sad that we have lost them both in the space of one short year. Harold was always cheerful, with a good story to tell. He was ever ready to help out neighbors and often did so--looking out for our condo apartment when we were not in residence. We will miss his phone calls and his courage in the face of adversity. We are sure that he and Patsy are now reunited and safe in the hands of our Lord. God Speed, Harold.
