“ *I will always remember the effect Herschel had on my life. He helped me get my first horse and gave my BFF Kathy and me many wonderful hours of joy with our horses. He was always kind and generous to me and was a joy to talk with every time we we met. The last year we connected on phone calls so often and I loved every call. I also will never forget how fond he was of my mom, Jane. He will be missed in our lives.*
