“ I knew Jackie only through facebook, but I so enjoyed his posts. It was clear he was a truly lovely man and I thought of him most fondly. To Jackie's family, my heart goes out to you. I hope you find comfort in the knowledge that you'll be with him again when your own time comes. Scripture says that "to be absent from the body is to be present with the Lord." That's where he is. I'll truly miss him.

“ *When were kids Our families lived across the street from each other. We always played games, our mothers would play scrabble. Those were good days. I went to see him in October and he looked really good that day. I am so glad we had that visit. Love you Ruby and may God comfort you and your family in this loss. Jackie was a good kid who grew up to be a good man.*
