“ I was married to Janet for 13 years (1969-82) and those were the best years of my life - because of her. Janet was a very special lady who wanted a family and I'm happy to see that she got her wish. She was beautiful inside and out, easy to get along with, sweet, charming, a terrific cook, loving, fun to be with, sincere, a great sense of humor - the perfect wife. I never thought I would out live her. I guess God got impatient. My sincere condolences to her surviving family.
