“ David, I'm so sorry for your loss brother. There seemed to be a really good turnout. You and Jen have so many people who love you and you can't go wrong with that. I really wish the circumstances were different, for you and your family. Jen was a beautiful soul. Thank you for trusting me with the service. I was striving to do the very best that I could. I'm glad I could serve your family that way. I pray that you will find a little bit of peace 🕊 at this time.
