“ Anne, What a precious gift you were to me and Jimmy. I loved your testimony and I especially loved to hear you pray. Thank you for your love and friendship. Thank you for reading the poem "Our Baby" written by my Grannie about my mom at mother's service. Thank you for teaching me about your experience with the word FROG on a pin or chain. I will always remember to F-ully R-ely O-n G-od each time I see a frog. I love you even in death and you will always be part of my heart. I will see you again one day, in Heaven. Until then, rejoice in making up lost time with Bradley.
