“ I am sorry to learn of John's passing. I ran into him at Cox Funeral Home when he worked there and enjoyed visiting and catching up. I know he touched a lot of lives throughout his life. I'm thankful I had the opportunity to get to know him and be in high school band with him.

“ Mary, Tom and family I am so sorry to hear of Johns passing! He sure brought a lot of smiles to people's faces in his lifetime with his unique personality. He was always cutting up and going on with anyone he cared about. It was always a joy to see him when our paths would cross, in life's journey, he would always greet you with a smile and a handshake! He's sure going to be missed by us all. I pray that God would give you all a special memory of a time in your life with him, that will bring a smile to your face and comfort to your heart.

“ I met John when we were both at ASU, we pledged Kappa Kappa Psi together and served until graduation and after. He was definitely the definition of a brother. We had enough good times that will always keep a smile on my face when I think of him. This world's loss is heavens gain. Fly with the angels my brother. ÆEA. You will be missed. RIL

I met John at ASU while we were in marching band. He was a great guy and a talented musician. I am certain that John passed his love for music on to his many students throughout the years. My prayers and deepest sympathies go out to John's family.
