“ Joy, your light will be missed. You played an important part in my early life at Free St. When we would meet up later in life it was always great to "catch up." I'm sorry for your loss..just know that she was loved and appreciated.

“ Tom & I never met Mrs. Richardson but we felt we knew both her and her husband thru all of the beautiful things Vicki shared about her Mom & Dad. My paternal grandparents lived in Rogers, Arkansas & Vicki & I spoke a lot about the "beautiful state". Vicki is our niece and we consider her a daughter. I am sorry for your loss and our prayers are with the family.

God bless,
Tom & Sandy Long

I will miss Joy so much. She and I sat together at church for many years, and she was always interested in my daughter and children, and always wanted to know any new happenings in their lives. She always looked forward to the two times a year that all of her children and grandchildren would gather at her home for a holiday and stay several days. Her family meant so much to her. I loved her friendship and the person that she was. My prayers are with all her family and friends.
