“ *We send our deep sympathy to your family for the loss of your mom. With each passing day may God (Ps.34:18) give you the strength to cope. Judy touched the lives of others in a positive way and will be sadly missed.*

“ *Dear Diane, Tony, Paula, Jerry and Debbie,*

My deepest sympathies on Judy's passing. She was a special woman who truly loved her children, her family, her Church, her friends and all those who she came in contact with while at work through the years. I too was the recipient of her thoughtfulness and cards ... not only in Lemont but also here in Rome. It was her special ministry that brought smiles to the many people she remembered and prayed for. Know that Judy is held in prayer by all of us here and I am sure she is keeping the Lord advised as to all of our needs down here. All of you are also held in prayer.

“ My heart reaches out to my sweet cousin's children, Diane and Tony, and to my cousins, Sr. Paula and Jerry. I am deeply saddened to hear of Judy's passing. I had just recently learned she was fighting illness again.

Judy was one of the most thoughtful, warm, caring and encouraging women I have ever known. I feel privileged to call her my cousin.

She never failed to remember my daughter's and my birthdays, holidays and special occasions. As a single mother, I appreciated all of her tokens of love and support throughout the years.

I am grateful Judy is no longer suffering. I know she is in Heaven with her parents, Uncle Rudy & Aunt Fran and all of her loved ones. She will be missed terribly, but I am comforted knowing she is in God's hands.

My thoughts and prayers are with Judy's family at this most difficult time. May God watch over you. Love,

Cousin Jan (Ruth) Finnis &

“ Judy was a genuinely kind and giving person. I worked for her for a little over 3 years, and also came to know her on a personal level. She truly cared about every single person in her life. She even took the time to send birthday cards to current and former employees, and their children. She always sent my youngest daughter cards that had connect-the-dots or pictures that could be colored. She was very involved in her church and community, and was dedicated to anything she set out to do. She was loved by many, and I will miss her very much.

“ So sorry for the loss of your sweet, considerate, loving and giving mother. I have known Judy for over forty years while attending church at Immaculate Heart of Mary church and will miss her smiling face. She always sent a birthday card to me and many, many others that meant so much to me and when I was sick she always mailed me a get well card. Her thoughtfulness meant so much to me and especially when my son, David, became ill she constantly asked about him and kept him on the prayer list even after I told her I think he is alright now and her reply was he may still need our prayers. That was the kind a person she was , always thinking about others. I will truly miss her just like I know everybody else will. I will keep Diane and Tony in my prayers. God bless.

Judy was a true Christian. A blessing to all who knew her. She sent many cards to my husband while he was sick and always remember me on anniversaries of his death. It was her ministry of caring for her fellow men.

Judy was a wonderful person who helped so many people through her ministry of sending cards. She was not only a good sister to Sr. Paula, but to all the Sisters in Lemont as well. My sympathy to Sr. Paula, Jerry, Tony, and Diane. She will be missed.

Dear Sr Paula and family of Judy,

Judy was a beautiful woman with the greatest smile and biggest heart in the world. She did not forget you once she met you and remembered others with greetings and cards all the time. When she came to Europe many years ago, we laughed together about so many things as we walked the streets of Rome. It was a joyous visit for me. Judy knew Jesus and lived as a true Christian Catholic, serving in her ministry of loving and caring. May she rest in the embrace of her God. Peace to all.

What a friend we had in Judy! She was my room-mate on a trip to Rome during the Holy Year 2000. We met for the first time at the airport in Memphis enroute to Rome, and have been close friends ever since. Judy never missed sending a card in sympathy note on the anniversary of my husband's death anniversary, my birthday, Christmas, Easter. She was a prayerful woman and kindness was her trademark. May she rest in peace with the Lord and all those she holds dear that have preceded her in death.
