“ Mrs. Kat was a sweet fire cracker of a lady that I was lucky enough to have in my life for a short period of time. I know she is in a better place, but she will greatly be missed she really lightened up Belle Meade nursing home and put a smile on all of our faces.💛 I will certainly miss doing puzzles and dancing to Aretha Franklin with you mrs Kat fly high.💛

“ This lady has been my best friend sence 1960. That is 69 years of goo times and bad times. I will never forget this woman. She was kind hearted. We met on the hill at Mrs. Marshells gift and coffee shop when I was 17. I never heard her say an unkind work about anyone. We shared lots of laughter and tears. I am looking forward to seeing her again in her heavenly home. I miss you my dear friend.
