“ When Kristy and I were teens I remember begging Uncle Frog to let her go to Sonic with me. He relented and so we cruised Sonic and Walnut Ridge area. This is just one of the many memories I have of her. I will remember Kristy as gentle, kind, and sweet person. But always feisty too. Hugs, Tina

Kristy was one of the most talented, intelligent, and loving, people I've ever known. My heartfelt condolences, love, and prayers, are with Frog and Kathee, Harley, Memory, Shawnta, Kamela, and their families, now and in the days ahead, as they grief the loss of their precious loved one. May the peace that passes all understanding be with them, and may the happy times they shared be ever present in their minds, as they celebrate her life here on earth, and prepare to meet her again in the great beyond. Rest in Love, Kristy, until we meet again! Wanda Fincher
