“ *I am so sorry for your loss. So so many memories . All of y'all are and have been like family to me for 50 years. I think I practically lived at y'all's house during my school years. Angela was my very best friend in the world. Vance always asking me if I was ok. Vance always tried to keep Angela and I out of trouble with Iva and my mom! It didn't always work, and he would chuckle about it but he tried! Lol. I admired Vance, he was a good man!!! He will be greatly missed. Prayers and much much love for you all.*

“ *Shorty is what I called Vance as a little girl. I'm not sure how it came to be that I called him this Shorty, but he never seemed to mind, at least I hope he didn't. I have memories of our parents hanging out together, and of me staying with my friend Angela at her house when we were much younger. I sure had great friendships with this family and I know Vance is going to be greatly missed*❤️

“ *To many memories to mention, loved him dearly, loved his humor and especially his laugh, we will miss running into him occasionally at restaurant or post office. He loved to talk about old times and kept up with old friends and classmates from Manila.*

*Vance and I never failed to have something to talk about when our paths crossed, I will miss those times. His crafts, his love for Indian history, his childhood at Milligan Ridge, athletes and more. He had sense of humor and was quick laugh.*
