“ Pickles in a crock, with a piece of cloth over them. Delicious! Big garden, that Joette and I had to pick before we could go anywhere. Her love for her children, and Big Jim. I always thought that she was beautiful! Prayers for all the family. May God give you peace and understanding.

“ I vividly remember when Helen and I got into Linda’s makeup. We were just grade school kids who did not realize the ramifications of what we’d l’d. Linda was so disappointed that we had used all her base but she looked at us and gave a smile and told us it was okay. I never realized until I was older how we had hurt her.
