“ *My heart goes out to the entire Mans Family. I remember when I first met Lisa Ann, when her oldest sister had moved here to Asheville, hard to believe, but she was louder than I and twice as funny! Heartbroken for our loss of her, especially for the family.*

“ *I didn't know Lisa but was among the many who were praying to find Lisa alive and well. I can't imagine what your family has gone through. We pray for comfort and peace from the Lord. We also pray for continued wisdom in knowing how to handle this very tragic event. So many people thought so much of her and have reached out to you. We pray this has been a small comfort.
